

INDEX OF SCIENTIFIC NAMES

This index includes scientific plant names appearing in Chapter 5: Materia Medica. Please refer to the Subject Index for plant names from other parts of the book. Page numbers in bold indicate the primary location for a particular plant. Photographic plates are referred to by plate numbers. Family names are in capital letters. Genus-species names are in italics. In some cases the plant's common name is indicated in parentheses.

A

Abrus precatorius (crab's eyes), **87–88**, Pl. 23
Acacia acuífera, 169
Acalypha amentacea (match-me-if-you-can), **144**, Pl. 57
Ageratum conyzoides (wild ageratum), **218–19**, Pl. 102
Agropyron repens, 118
Allium cepa (onion), 103, 128, **157–58**
Allium sativum (garlic), **102–3**, Pl. 33
Aloe vera (aloe), **50–53**, 153, 172, Pl. 2
 AMARYLLIDACEAE, 102–3, 131–33, 157–58, 187–88
Ambrosia hispida (bay geranium), **56–58**, 202, Pl. 6
Amyris elemifera (white torch), **217–18**, Pl. 101
 ANACARDIACEAE, 142
Anethum graveolens (dill), **89–90**, 190, Pl. 25
 ANNONACEAE, 195–97, 204–5

Annona muricata (soursop), 54, 87, 100, 127, 134, **195–97**, 209, Pl. 88
Annona squamosa (sugar apple), **204–5**
 APIACEAE, 89–90
 APOCYNACEAE, 144–45, 156–57, 163–67, 215–16
 ARALIACEAE, 112
 ARECACEAE, 81–83
Argemone mexicana (thistle), 115–16, **210–13**, Pl. 98
Argusia gnaphalodes. See *Tournefortia gnaphalodes*
Artocarpus altilis (breadfruit), **65**, Pl. 13
Asclepias curassavica (milkweed), **144–45**, Pl. 58
 ASPHODELACEAE, 50–53
 ASTERACEAE, 70–71, 83, 106–7, 120–23, 123–24, 169–71, 182, 188–91, 194–95, 218–19
Ateleia gumnifera, 92
Ateramnus lucidus. See *Gymnanthes lucida*

B

Bidens alba var. *radiata* (shepherd's needle), **188–91**, Pl. 84
 BIGNONIACEAE, 97–99, 220–21
 BORAGINACEAE, 60–61, 179–80, 203–4
Borrchia arborescens (bull horse bush), **70–71**, Pl. 15
Borrchia frutescens, **70–71**
Bourreria ovata (strong back), 167, **203–4**, 214
Bourreria succulenta (strong back), 93, 98, 99, 115, 138, 200, 203, **203–4**, 207, 214, Pl. 93
 BRASSICACEAE, 162–63
Bumelia americana, 218
Bunchosia glandulosa, 93
 BURSERACEAE, 114–17
Bursera simaruba (gum elemi/gumolimbo), 98, **114–17**, 130, 138, 140, 150, 167, 204, 207, 212, 214, Pl. 41
Byrsonima crassifolia, 207
